ADDENDUM NUMBER: One (1)

TITLE: Installation of Sodium Hypochlorite Tanks at McDuff Water Treatment Plant

JEA SOLICITATION NUMBER: 1411962046

BID DUE DATE: ~~April 18, 2025~~ April 25, 2025

TIME OF RECEIPT: 12:00 PM

THIS ADDENDUM IS FOR THE PURPOSE OF MAKING THE FOLLOWING CHANGES OR CLARIFICATIONS:

1. Correction: JEA is amending language contained in the Solicitation document.

1a.) Original Language: Section 1.1.1 SCOPE OF WORK

This Solicitation is for the procurement and replacement of two (2) JEA Standards-approved 8,000-gallon sodium hypochlorite storage tanks for the McDuff Water Treatment Plant (WTP), to include contractor installation and testing services in accordance with the attached technical specification.

Correction: Section 1.1.1 SCOPE OF WORK

This Solicitation is for the procurement and replacement of two (2) JEA Standards-approved sodium hypochlorite storage tanks for the McDuff Water Treatment Plant (WTP), **with a minimum capacity of 8,000 gallons each, expected to fit within the original footprint,** and to include contractor installation and testing services **without modifications to any structures,** in accordance with the attached technical specification.

1b.) Original Language: Section 1.2.1 MINIMUM QUALIFICATIONS

Bidder shall meet the following Minimum Qualifications to be considered eligible to submit a Bid to this Solicitation. Bidder must complete and submit the Minimum Qualifications Form provided in this Solicitation. It is the responsibility of the Bidder to ensure and certify that it meets the Minimum Qualifications stated below. All Bidders not meeting all of the following criteria will have their Bid rejected:

- Respondent must have been regularly engaged in the design and manufacture of chemical storage tanks for over ten (10) years.

A Minimum Qualification Form is provided in Appendix B of this Solicitation.

Correction: Section 1.2.1 MINIMUM QUALIFICATIONS

Bidder shall meet the following Minimum Qualifications to be considered eligible to submit a Bid to this Solicitation. Bidder must complete and submit the Minimum Qualifications Form provided in this Solicitation. It is the responsibility of the Bidder to ensure and certify that it meets the Minimum Qualifications stated below. All Bidders not meeting all of the following criteria will have their Bid rejected:

- Respondent must either have been regularly engaged in the design and manufacture **OR** **installation and removal** of chemical storage tanks for over ten (10) years.

A Minimum Qualification Form is provided in Appendix B of this Solicitation.

2. Addition: JEA is adding a second pre-bid meeting for this Solicitation.
